

**WE TAKE SAVING
TIME DOWN
TO THE WIRE.**

Did you know?

Lonestar Integrated solutions offers cable assembly and labeling services – saving your company valuable labor time.

CABLE ASSEMBLY

Spend less spend time and money cutting and stripping wire on job sites. The Lonestar team will cut, strip, and terminate wire as a “sub-assembly,” shipping it ready for install.

LABELING

Outsource your cable labeling to Lonestar - our state-of-the-art automation and labeling equipment is ready to print and apply labels with text, codes and logos.
